

**POSITION:** Communication Intern  
**WHERE:** Reach for Change Stockholm, Sweden  
**COMMITMENT:** Full time  
**DURATION:** January 2019 - June 2019

### Who we are

Reach for Change is an international non-profit organization with the mission to unleash the power of innovation and entrepreneurship to create a better world for children. We find and support local early stage social entrepreneurs who work towards one or more of the sustainable development goals set up by the UN. The entrepreneurs are supported to scale their innovations through capacity building, networks and funding all in partnership with multiple sectors. Being Co-created by successful entrepreneurs in the non-profit and the business sector in 2010, we have now grown to 17 countries across three continents.

### Who you are

- **Passionate:** feel deeply about improving the world for children and social innovation.
- **Brave:** enjoy rolling-up-your-sleeves, taking initiatives, and having many different projects to juggle at the same time.
- **Smart:** able to think strategically, work independently and have a problem-solving mindset.
- **Student or graduate** in Marketing, PR and/or Graphic Design, with some experience practising communication. You need to have experience in Creative Suite since the internship will cover some design work. You are enthusiastic about social media and keep up with current trends and events.
- **Proficiency in English and Swedish** – the languages we use for most of our communication.
- **Looking for an internship** as a part of your education plan. This is an unpaid position, however it's very important to us that you

are receiving funds from a third party (CSN or other source of income).

### What we can offer

This is the chance to develop your creative skills by creating communication that makes a real difference. You will join a highly talented global team of change makers, quite a few of who used to be interns here. Working with such a young team with flat hierarchy is demanding but will teach you more than anywhere else and develop your workplace skills.

### We hope you

Have a creative mindset and want to leave your mark on Reach for Change's marketing. During the spring of 2019, we will implement our marketing strategy and brand throughout our organisation and different touchpoints. This is an opportunity for you to bring your personal touch to our global marketing and build your portfolio. With your creative mind, technical know-how and design skills you will be a great addition to the team during the spring.

### How to apply

If you are who we're looking for, send an email with your CV, cover letter and details of your external financial support ( e.g. University funding) in English as PDFs to [apply@reachforchange.org](mailto:apply@reachforchange.org). Mark the heading with the position you are applying for. The selection process will include interview and a case. We look forward to hearing from you!
